(2) Requirements.

(A) The regional councils shall submit annual nominations by May 15 to the direc-

tor, Division of Mental Retardation and Developmental Disabilities.

1. If the division director concurs and if the proposed slate of nominees would maintain compliance with membership requirements, those nominees will be appointed by the division director.

2. If the division director does not concur with a region's nominations—

A. The division director will register the division's objections in writing with the regional council by June 1; and

B. The regional council will then have three (3) months to submit an alternate.

3. This nomination process will be used throughout the year as vacancies occur.

(B) A person may be renominated for membership if one (1) full year has lapsed since the person was last a member of the council.

(C) A current membership roster of all regional developmental disabilities councils shall be maintained by the Missouri Planning Council staff and will include: member's name, membership slot, term of membership, county of residence and appointment date.

(D) Each regional advisory council may have up to twenty (20) members.

1. Councils will make every effort to include as members persons who have developmental disabilities, and representatives of minority populations, or both.

2. Each member must be a resident of the region served by the council.

3. The regional council shall be encouraged to maintain membership from each county in its region.

(E) Members are appointed to staggered three (3)-year terms.

1. The terms for one-third (1/3) of each council's members shall expire on June 30 of each year.
